

ELITE™ 3000

ELECTRIC AIRLESS SPRAYER

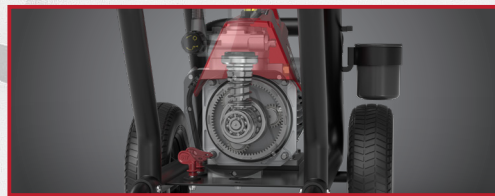

LIFETIME OF DURABILITY

Perfect for everyday use on residential, property maintenance and small commercial applications applying most architectural coatings like stains, lacquers, sealers, enamels, primers, latex house paints, and dryfall with ease.

► PermaStroke Technology™

- No piston or packings, cylinder or clutch to wear or burn out

- Delivers top performance at pressures from 300 to 3300 PSI and when using small or large tip sizes
- Eliminates deadband – delivering a consistent fan pattern optimizing finish quality
- Field serviceable with only two cartridge-style wear parts that change in only 5 minutes
- Features the Sureflo™ pusher valve that makes priming easy
- Perfect for spraying coatings prone to shearing

► Smart Design

- Extremely reliable mechanical pressure control
- Multi-position cart allows for a low rider siphon or high rider direct immersion set-up
- Roll-bar style cart protects the sprayer from jobsite and vehicle wear and tear
- Large 10-inch tires make it easy to maneuver around the jobsite

► WearGuard™ Elite Lifetime Warranty

- Lifetime warranty on the fluid pump
